Department Overview: Nestled just east of Everett, SCFD4 lies in the heart of Snohomish County. With an outstanding administrative and command staff, a great group of company

officers, and a combination of full-time and part-time FF/EMT's and FF/Paramedics, SCFD4 responds to all-hazards and emergency calls within a 55-square mile area. Having two rivers, 6 lakes, two highways, main East/West railroad tracks, and both vibrant city and rural areas, SCFD4 offers a fun, exciting, and fast-paced work environment. Operations staff at SCFD4 respond to structure fires, rescues, hazardous materials calls, wildland fires, and transport all ALS and BLS medical emergencies. Firefighters enjoy working on engines, brush trucks, ambulances, and a tender. SCFD4 offers a team-oriented environment and great training opportunities. We are one of the few agencies that has our own fire training facility, including Class-A live fire capabilities. Our people are great! At SCFD4, the sky is literally the limit!

Area Information: Our District includes the City of Snohomish – population 10,561, and an additional 20,000 residents in the unincorporated 60 square miles that surround it.

Population: ~ 30,000 residents
